## Riverfly Monitoring Workshops

The Riverfly Partnership is a dynamic network of organisations, representing anglers, conservationists, entomologists, scientists, water course managers and relevant authorities, working together to:

- Protect the water quality of our rivers
- Further the understanding of riverfly populations
- Actively conserve riverfly habitats.

The Yorkshire Invasive Species Forum is hosting three workshops to help establish various groups to monitor the biological water quality of their local waters.

- **26th March - RSPB Old Moor, Barnsley, S73 0YF**
- **23rd April - Cromwell Bottom NNR, Brighouse, HD6 2RG**
- **30th April - Potteric Carr NNR, Doncaster, DN4 8DB**
